## Tower for Tooraweenah – Telstra - Progress.

In May of this year Tooraweenah CWA agreed to take up this project to find the most appropriate mobile communication for Tooraweenah Village so businesses, residents, visiting professionals, emergency services and visitors could keep in touch via mobile phone and internet without having to travel up to the viewing platform.

Telstra engineers have since visited the village and identified Tooraweenah is in a Black Spot area and that a tower with wireless connection would produce the best outcome, covering a radius of 1klm within the village.

Confirmation was received on Monday 1<sup>st</sup> July from Michael Marom, Northern NSW General Manager Telstra, that they will include Tooraweenah for consideration in their Round 5 submission of the Black Spot program.

Mark Coulton MP Member for Parkes, Minister for Regional Services, Decentralisation and Local Government, Roy Butler MP, Member for Barwon and Gilgandra Shire Council have all been informed of progress and are working cooperatively towards a great outcome which is long overdue for our community.

The NSW Government has now committed \$400 Million to a Mobile Phone Black Spot program for Regional NSW as part of their 2019/2020 Budget. The details regarding how to access these funds are not yet available, but as the representative for the area, Roy Butler, MP will be pushing for Tooraweenah to be placed as a high priority for these upgrades and funding.

The closing date for submissions from the Telco's has been extended from 26<sup>th</sup> July to the 26th September 2019.

With such wonderful support and cooperation from our community, Telstra and all levels of Government it is hoped the full cost for the tower of \$114,000 will be fully covered.

## National Tree Day & Schools Tree Day

Tooraweenah CWA members joined with Tooraweenah School children, Pre-Schoolers, staff and the broader school community to plant two trees as part of Schools Tree Day and National Tree Day. Acting Principal Karen Smith gave an enlightening overview of the value of National Tree Day and how Trees are so important to maintaining a healthy environment. Everyone sang a happy ditty as the children

planted the trees then Mrs Smith presented each child with a National Tree Day Certificate. It was a very special shared activity with everyone looking forward to participating again in 2020.

### Tooraweenah CWA

Hi to all.

Our last meeting ended with an enjoyable Yule Tide Lunch at the Mountain View Hotel.

Sue Armstrong and Dalene Pretorius entertained us with their recent trips on a sea cruise and land and bike riding in South Africa.

Our Saturday community BBQ's are over and were very successful. Many thanks to all the CWA teams and Tooraweenah and district residents for their support which all helped to make the weekends go so well.

On Saturday August 5th we host the MacQuarie Group Council Meeting which will be held in the Memorial Hall. Helpers will be needed for this event please.

Our next branch meeting will be held on Wednesday 14th August from 10am. After the meeting we will be setting up for

**International day on Thursday 15th August with New Guinea our country of study. The day gets underway from 11am with morning Tea and Lunch \$12.00 RSVP by August 7th. Come along and share a fun filled day.**

Just a reminder, our subs of \$43 are due in September.

CWA Education Grants are open to students entering High School or University.

Applications close on 30th September 2019.

### Councillors Corner

Gilgandra Shire Councillors, Management and staff strategically focus on achieving opportunities

and outcomes for our Shire community. \$3.9m announced in the last 2 weeks. Take a moment to look

at State & Federal Government Grants achieved in recent times. Community infrastructure projects are a prime example, Library upgrade, Information Centre & McGrane Oval in Gil, Toora Recreation playground equipment, and Toora Showground multiple projects. This is only achieved through careful planning supported by skilfully prepared applications. Tooraweenah has been fortunate to share the

benefits of funding grants. Structural upgrading of the Tooraweenah Memorial Hall continues. Council has been allocated funding of approximately \$770k for youth and community projects, now is the time to have a say, make a suggestion, so Council can determine priorities for this funding.

Cr Brian Mockler

### Stronger Country Communities Fund—Round 3 Applications Open 1st July 2019

Minister for Western NSW, Adam Marshall announced Round 3 of the Stronger Country Communities Fund and encouraged local groups to identify and apply for projects to make a real difference to regional and rural communities.

Round 3 will provide an additional \$100 million for community projects in regional NSW with at least \$50 million for youth related projects.

**Applicants can be from Councils and for the first time not for profit and community organization can apply.**

Projects can include programs and events as well as infrastructure. Applications close on 27th September 2019 with assessments taking place from October 2019 through to January 2020. Successful applicants will be notified from January 2020.

This is another great opportunity for the Tooraweenah community to progress several projects identified during the recent Community Revitalisation Workshop.

### Tooraweenah Endurance Riders – More in the September Issue of the Bungles

The Tom Quilty National Endurance Championships were held recently in Queensland with 300 riders registered to participate.

Local Riders Sam Duff and Charlie Bonham successfully completed the 100 Mile Ride to gain their Quilty Buckles. Congratulations to you both on reaching this milestone. This is an outstanding result and acknowledges your riding skill and horsemanship.

In the Intermediate (Unrestricted) Teams Event, Box Hill 4 were successful in winning this event with all 4 light & middle weight horses vetting through. Congratulations all round. The September issues of the Toora Bungles will give full details, names, times etc for these events. The exciting news coming from the Queensland event is that **Tooraweenah Endurance Riders will host the**

**Tom Quilty National Endurance Championship in July 2021.** Exciting times ahead with the planning and implementation of this National event. With everyone working together our community will benefit!

### TPS Athletics Carnival

The cool and blustery conditions could not dampen the Butler and Garling spirit during the school Athletics Carnival on the last day of Term 2. The relaxed day was filled with traditional athletics events involving the School and Preschool

students as well as novelty events. We welcomed many parents, grandparents and community members to the carnival on the day and this added to the day's success.

It was fantastic to see such great participation in all events. Students will receive their certificates outlining their results in each event at the next school assembly.

Congratulations to the 2019 Athletics Champions:

Juvenile Boy	Sam Trickey
Juvenile Girl	Holly Wykes
Junior Boy	Jahkaia Hughes
Junior Girl	Lexi Trickey
11 Years Boy	Brock Trickey
Senior Boy	Darcy Holland

The winning house on the day was GARLING. Congratulations to all students on their effort and achievements.

### Earn and Learn points redeemed

Tooraweenah Public School would like to thank the parents and community for their strong support in helping us collect

Earn and Learn stickers from Woolworths. This year we collected an incredible 10,094 stickers which qualified us for \$600 in school resources from Modern Teaching Aids. The school was able to put the points towards classrooms resources for students to use including 3D Shapes, Maths games, STEM Craft building supplies and art supplies. Thank you!

### External Validation Meeting

Our External Validation Meeting was held recently. Mrs Jenkin and I met with the panel and discussed our on balance judgements when completing the School Evaluation Framework Self Assessment Survey and the evidence to support it. The process allowed the school to reflect on our progress towards goals and our overall delivery in 14 aspects of the school including elements in teaching, learning and leadership. The panel agreed with our self-assessment in 11 areas of the framework, and suggested our evidence placed us higher than we thought, at sustaining and growing for three more areas. Sincere thanks goes to Nadine Jenkin, Penny Zell, Maureen Altmann and Gwenderlyn Horwood for their support in developing the External Validation documents.

### National Tree Day

The school partnered with the Tooraweenah CWA to celebrate National Tree Day last Friday. Parents and community

members also came along and joined us for the planting of two trees donated by Jill Blackman. A lovely morning tea was enjoyed by all who attended. Thank you to the CWA and parents for providing morning tea. We look forward to being involved in this important event again during 2020.

### Book Fair

The book fair was once again, very well supported in 2019. Thank you to all the parents and community members who made purchases. Our school library has earned 13 books valued at a total of \$165 due to the sales. Thank you to Petria Cameron for volunteering her time to run the book fair all week. It is definitely a highlight for the students each year.

### PBL Celebration Day

At the end of Term 2, students celebrated reaching their 4000 point milestone as a whole school on Class Dojo. Students wore casual clothes and were treated to a fun afternoon of free-time, movies and popcorn. I have been very pleased with the positive behaviour exhibited by students in the school recently. It is always a pleasure to hear positive comments from teachers and visitors in our school.

### Transition Program

Do you have a child starting school on 2020? You are invited to come and find out more about Tooraweenah Public School. Our Transition to school program is currently available on Mondays until Mid Term 4. Please phone Karen Smith 68481073 for an information pack and enrolment form.

## Tooraweenah Show

Planning for the 2019 Show is well underway and the Committee has organised a fantastic day for the community.

The speed

shear will be on again with plans for a terrific competition.

This year we are introducing a Rain Man Sculpture Competition. With a little help from locally made rain men we hope we can turn things around so, let your creativity shine by making your take on a rain man for the 2019 Tooraweenah Show. We hope that through this competition you will be able to spot rain men stretched out across the showground on show day. There will be prizes for the judge's winners as well as people's choice. **Enquiries to Amanda Carnegie 0437753456.**

Another terrific event which will be held on Sunday 20 October will be the Toora show society's yard dog section which will be conducting a working dog training school at

the Toora showground, run by Dave Motley from Nyngan.

Topics covered include the starting of young working pups, getting full control of young dogs and utilizing the dog's natural talent and reading the signs of what they are ready to do and when. Positioning, placement of dogs, handler and stock to keep the stock flowing and calm, as well as any other questions that might come up on the day about handling livestock or dogs.

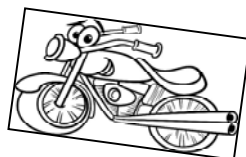

If you have thought about trialling a good young dog but are unsure of the rules or what is expected at a trial than Dave's patience and experience would be a great

place to start. Places at the school will be limited so get in quick. **The cost will be 100\$ for the day including lunch. Enquiries to Brendan Butler 0447481048 or Ross Alison 0428488162.**

**Entry Forms for these events is enclosed.**

**Another upcoming event is our Golf Day, in partnership with the Lion's Club. Make sure Sunday 18 August 2019 is in your diary. Get some friends together and come and have some fun!!**

President Lester is no longer wearing his knighthood crown but his OAM halo is quite befitting for a person of his stature. His first 2019 Toora Lions meeting as head honcho was very entertaining, lots of fellowship and Tail Twister Geoff Pike spun a few slightly inaccurate stories, a fun evening for everyone.

Lester now delegates. He despatched his servant woodchoppers on an excursion to Butlers’ to cut and deliver some loads of ironbark firewood to our local senior citizens. Team leader was Geoff Hill, a stalwart with chainsaws so sharp that they can slice bread, well sort of!!! Unfortunately his skills at de-barking logs needs a bit of attention. Suffice to say, Geoff managed to “get in the way” and sort of re-arranged his crow bar grip. Outcome is positive and he continued to work and still has most

of his fingers!!

**Lions Club and Show Golf Day is scheduled for Sunday 18<sup>th</sup> August at Toora Showground Golf Links. A Flyer highlighting all the details will be sent out. Absolutely no experience necessary. The challenge is to get a team together, sledging is permitted, but must be respectful at all times. It is a fun family and friends day out. Lunch available in the Pavilion dining room for everyone from midday, non players welcome to share the social outing . Highlight will be, as always, the Bradman Trophy for golfing excellence.**
