Grandparent's Day — An Education Week Celebration!

On Wednesday August 3rd more than 50 guests joined Tooraweenah Public School and Preschool for a special Grandparent's Day concert, morning tea and open classrooms to celebrate Education Week.

School Captain, Indiana Brown, welcomed the guests and together with Vice Captain Lexi Trickey, ably filled the role of MC. Ruby Ling gave the welcome to country.

The school students presented a preview of a song from the Alice in Wonderland concert, to be held that evening, while also presenting some thoughts about their Grandparents.

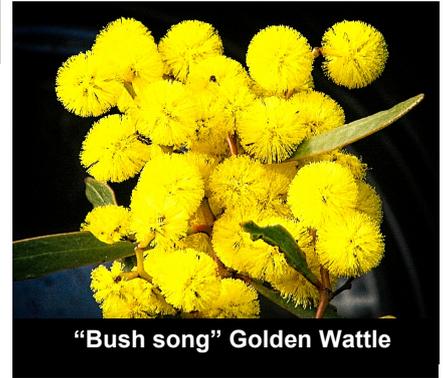

The Preschool entertained the crowd with a wonderful performance of the story, Baa Baa Blue Sheep.

At the conclusion of the concert, the school patrons Beverley Pike, Jenny Zell and Jeanette Cruickshank cut the cake with our oldest student Lara Duff and youngest Preschooler Joe Barry.

We are very thankful to Leonie Harvey and Michelle McQuiggin, who catered for the event and to Jenny Sanford for bringing her coffee van.

It was wonderful to have so many families and community members join us for this event.

Many visitors took the time to visit the classrooms and view the students work and our Library also held its annual Book Fair. We appreciated all the work Petria put into organising the book fair. It was very well supported by the parents and community members - so thank you everyone. *Karen Smith, Principal*

Arthur Butler Aviation Museum

The Arthur Butler Aviation Museum mob has taken a breather in August after running the pub bar-b-que for five weeks. Thanks to those who supported us. We hope you enjoyed our In-Flight menu items.

You don't really know what you are getting into when starting a museum from scratch. The Society is beginning to look in a number of areas such as the history of Butler Air Transport and Tooraweenah Aerodrome.

How to attract more aircraft to the aerodrome and then to the town's facilities; and even a place to set up

the museum as an attraction within the town.

The main aim of the museum is to preserve the story of the man who the people of Tooraweenah got right behind in the early days, and to relay to the younger generations of local kids why the Houses of Tooraweenah Public School are "Butler" and "Garling".

The Society invites all Warrumbunglers to bring out their family memorabilia of Butler Air Transport so that it can be copied for preservation.

Warrumbunglers are also invited to support the Society by becoming members for the tiny amount of \$10. All the Society asks of its member is that they lend a hand occasionally .

Cheers,
Captain Tailskid

arthurbuttersociety@gmail.com

Lions Roar

I must start with an apology and an addition from an oversight on my behalf from the last

Toorabungles!

We had a major contributor (and a great crew of helpers!) in the cleaning of the bathrooms across the week of the Tom Quilty.

Thank you to Geoff Hill (aka Kenny) and his cleaning crew for their work during this week, which proved to be a great success, and ingenious thinking, for fundraising for the

Tooraweenah Lions. So a big thank you to the team; it is this style of thinking, jumping in and getting to work that we celebrate in Lions and for this community!

We unfortunately had to postpone the Golf Day – so the competition awaits to see if Tooraweenah Lions will reign champions on the golf course! Stay tuned for a new date!

We're looking forward to catering at the upcoming Pasture Field Day, a great initiative for the community and some amazing supporters

coming on board for what looks like a great day out.

Next month we'll also combine forces with our neighbours Gilgandra and Gular Lions Club to welcome the 2nd Vice District Governor, Lion Ian Acret to the region.

And SAVE THE DATE! The 2022 Lions Trivia Night Out event is scheduled for Friday, 28 October! Grab a group of friends together and book a table! Details — October issue of the TB.

In Lions we serve – Kathryn.

Tooraweenah Show Round Up!

After a two year COVID Hiatus the Tooraweenah Show will be held on Saturday 15 October 2022.

We encourage everyone to come along and support this great event.

Now is a good time to start brushing up on the cooking skills, photography, art and craft, flowers and wool fleece for the pavilion.

This year we will be offering online

entries so keep an eye out once this is launched. We will still accept paper entries as normal.

The Rodeo committee have been busy fundraising and preparing for a big day.

If horse riding is your activity of choice there will be plenty of action and events in the ring.

The bar will be in full swing and there is some extra entertainment this year for all ages to enjoy.

Keep an eye on the Facebook page for updates. Contact Secretary Kristy Gale toorashow@gmail.com or 0429780323.

Tooraweenah Public School - Alice in Wonderland!

Education Week

We celebrated Education Week in August with Grandparent's Day, Book Fair and our school concert Alice in Wonderland. The theme of this year's Education Week was – creating futures. Here at Tooraweenah PS, we strive to give our students opportunities to find and nurture their talents, learn to challenge themselves and take pride in their learning and achievements.

Science Week - Zoo Mobile

Science Week was celebrated in August with a visit from Taronga Zoo's - Zoo Mobile. Alexandra from Sydney Taronga Zoo taught students all sorts of interesting facts about the green tree frog, tortoise, diamond python, goliath stick-insect, ring-tail possum and shingleback lizard. It certainly stimulated some interest!

Did you know, that frogs can pull their stomach out through their mouth to express a toxin or poisonous food? Next time you see a frog eating, notice it's eyes-they close their eyes and use the muscles to push the food down to their stomach!

Thank you to the Warrumbungle Environmental National Park Education Centre staff Narelle and Serena for organising the visit.

Canberra Excursion

Students from our school have just returned from an education tour of the national capital and by all reports, relished in the fun filled itinerary. Students were given the opportunity to participate in a variety of educational programs with a focus on Australia's history, culture, heritage and democracy. The excursion included visits to:

- National Capital Exhibition
- Geoscience Australia
- Snow fun at Corin Forest
- National Arboretum
- Parliament House and Senate Gardens
- Electoral Education Centre
- Australian War Memorial
- National Dinosaur Museum
- Reptile Zoo
- Questacon
- Indoor Rock Climbing

A huge thank you to Mrs Jenkin who accompanied the students on the 4 day excursion, and to Sonia Bonham, Shannon Brown and Cherie McWhirter who assisted as parent helpers. We greatly appreciate you giving your own time to support the students gain a broad range of experiences.

Transition

We welcomed our 8th transition student who settled in very well. We've had wonderful days with our Transition students joining us in the K/1 classroom.

Pictured above are Mim & Eliana. Transition students are strengthening their pincer grip and hands by completing activities such as using tweezers, and using crayons. Whole body activities (using our exercise mat) that encourage crossing the midline, help students create strong left and right brain connections and strengthen their core muscles. This helps with concentration and learning. Students had lots of fun using shaving cream to draw lines and shapes, learning new games, playing with kinetic sand and painting using sponges.

Professional Learning

Mrs Chandler, the school's Digital Classroom Officer, attended the EduTECH conference in Melbourne on Thursday 11th August. EduTECH is a conference for all things education including innovative products, and new technologies.

Mrs Smith attended the Western Plains Principal's conference and completed professional learning in Learn, Do, Reflect – building continuation within the classroom; Creatable Future; session from Executive Director Meghanne Wellard and Chris Jackson, Director Educational Leadership. John Fleming visited Gilgandra for the latest mentoring session on explicit instruction. Mrs Barry engaging in professional learning by observing demonstration lessons using the explicit instruction techniques. Mrs Barry, Mrs Jenkin and Mrs Smith attended the after school professional learning. As part of our STEPS to Success Initiative, Mrs Jenkin and Mrs Smith attended Fair Funding Forum at the Western Plains Zoo.

Small School's Athletics Carnival- DUBBO

The Small School's Athletics Carnival was held in Dubbo recently. It was wonderful to have parents able to attend and support their children in person. The rainy weather was challenging, particularly for the students competing in the Primary carnival, but all students showed great resilience and grit. Tooraweenah Public School were the winners of the Handicap Trophy. Congratulations students, on a highly successful carnival.

Moorambilla

Three of our year 6 students, Lara, Lexi and Indiana, participated in Moorambilla Voices Residency Camps in Baradine, where they had a great time singing, dancing, and co-creating RIVERSONG22 with the team of extraordinary artists. The talent, passion and tenacity witnessed by the Moorambilla staff was unbelievable!

Students look forward to the next camp in a few weeks before the Gala Concert.

Tooraweenah Public School - Alice in Wonderland!

The excitement was palpable for the evening's performance of the 'Alice in Wonderland' musical on August 4th. All students K-6 filled a speaking role or two, in full costume.

Backdrops and props adorned the stage and audiences young and old, in the Tooraweenah Memorial Hall, were thoroughly entertained.

Congratulations to Lara Duff, Indiana Brown, Lexi Trickey, Ruby Ling, Sam Trickey, Bonnie Alison, Hamish Jenkin, Maddison Jenkin and Eloise Jenkin as well as Mrs Nadine Jenkin, who each stepped up to take a role in the musical on stage.

We are very thankful to Janelle Quilter who spent many hours creating the backdrop and numerous props, to Maureen Altmann for assisting with costumes and to teachers Nadine Jenkin, Haylee Barry and Chantel Chandler for assisting in rehearsals and on the night of the performance. Thanks also to Emma Hutchison from Mountainside Beauty who offered to do stage makeup for our students. We are very thankful for your generous gesture, Emma. Thank you to Leonie Harvey and Michelle

McQuiggan for catering for the supper. Craig Smith, Scott Quilter, Daniel Harte and Leonie Harvey for the roles they played in preparing the hall and assisting with props.

It certainly was a night to remember. We are very pleased to provide opportunities such as this, for our students.

Karen Smith,
Principal

Note: For those of us unable to attend here is a pictorial of the students and teachers outstanding performance, plus, Costuming, sets and make up. Well done!

1. Tweedle Dum & Tweedle Dee Meet Alice
2. Bonnie, Eloise & Maddison painting the roses red with Hamish inspecting.
3. The Mad Hatters Tea Party
4. Indy, as the Cheshire Cat!
5. Alice in Wonderland.

Wonderful Pictures Hope you enjoyed them!!

Tooraweenah – Golf Round Up!

Unfortunately both Patron's Day and Lions/Show game days were cancelled due to the course being waterlogged.

Hopefully the wedding celebrations of Kimberley French and Tom Shields will be able to go ahead on the 20th without the weather affecting it.

The Fyfe-Grosser Trophy day will be held on the 27th, weather permitting.

In September the planned games are;
4th - Father's Day

10th - 4somes Championship
17th - Mountain View Sponsor Day
24th - Victory Lap Sponsor Day.

Please note the above info is subject to change so please check details on the golf club Facebook page and around town at CRT, Mountain View and Tooraweenah Caravan Park.

Best wishes to Kimberley and Tom from the Tooraweenah Golf Club.

Tooraweenah CWA - Cath Waller Reports

Hi to all, we had a lovely turn up to our August meeting. It makes it so easy to make decisions with a majority of members present.

Several of us attended the High Tea 100th Birthday celebration with Coonabarabran CWA. It was a great day out and we all had a great time.

Our Branch CWA Awareness Day is on Thursday the 8th of September, in our rooms, please mark this date into your calendars. Start time is 9.30am. Sarah Cruickshank (Early Childhood) will give a presentation about the needs and availability of "Maternity Services in Rural Areas"

Anne Armstrong is organising a few Handicraft Days within our Group at

Wongarbon CWA Rooms. Contact Anne if you need more info or you would like to attend.

Another day to keep open is Wednesday the 19th of October for a visit to the Warren Wetlands. Cost is \$20 for the Bus, Tours and morning tea. Lunch will be at the Collie Hotel at your own cost. RSVP to Tanya for a great day out!

Anne advised 6 members attended "Menopause The Musical". All had a great time.

Memberships of \$54 are now due and can be paid during September. You can bank direct into Bendigo Bank BSB 633 108 A/C 157572728 or to me Cath Waller. Thank you.

"Sip & Sew" continues each

Wednesday 10am to 2pm.

Tooraweenah CWA Markets, are on the 17th (3rd Saturday) in September. This will be the last one for the year. Markets resume, March 2023. Please come along to Cooee Memorial Park and show your support.

Macquarie Group Expo is on the 10th of September, Talbragar Branch Rooms Dubbo. Featured will be International, Cultural, Ag and Environment. Plus a display of the Judged Photos. Lunch will be provided.

Our next meeting is on Wednesday 14th September. 9.30am for 10.00am start.

Cath Waller, Publicity

Years K—3 Enjoyed an Excursion to the Theatre. "There's A Sea In My Bedroom" A story told through Music.

Tooraweenah Preschool Developing 'Wings of Independence' With Marie Gale (Jacobsen)

Our preschool friends had a fabulous time presenting one of our favourite stories, "Baa Baa Blue Sheep" at our combined Grandparents Day with Tooraweenah Public School. Everyone did a great job helping to tell this story and loved being up on stage. Thank you to all of our preschool families who were able to come to our presentation and also have time to visit preschool afterwards for a look and a fun play out in the sunshine! It was really lovely to see so many people come along to this event.

A flying Rocket Ship Experiment

We have had our preschool photos taken recently, and afterwards we were really fortunate to be able to enjoy a special visit from the Taronga Western Plains Zoo "Zoo Mobile". We enjoyed looking at and learning about several animals from Zoo Keeper and teacher, Alex. We checked out a very big stick insect, a tortoise, a shingleback lizard, a green tree frog, a possum and even a diamond python. The children really enjoyed this hands-on experience, and we were all brave with the diamond python and had a really good talk about snakes and snake safety with Alex. The green tree frog and the possum seemed to be the most popular animals with our friends. We thank Tooraweenah Public School for including us with this

visit, as well as Alex from Taronga Zoo and Narelle from The Warrumbungle Environmental Education Centre. We have been really busy exploring 'Space' and 'The Universe' and learning a great deal about this fascinating subject together. This was prompted after several children's enquires about space at the end of last term. We all worked together recently to put up our large 'Solar System' display in our room – it certainly has attracted a lot of attention from our friends as it is hanging up across our room. We know the names of all of the planets and a little bit of information about each planet. Did you know that Neptune is made of gases that smell like rotten eggs, so it is the 'stinky planet'? And that Saturn's rings are made of flying ice and rocks?

When Edna Einstein, pictured above, dropped in for a visit the other day we even made our very own planets! The children have enjoyed looking at lots of photos of space as well as reading books and learning more and more facts and interesting information about the Universe. There has also been quite a discussion about what scientists and astronauts do and what they learn at their work, as well as finding out more about

space crafts and tools used by astronauts.

Our Bush Preschool has continued regularly and we have all been enjoying exploring the creek area, especially noticing some big changes after our recent rain events. Seeing the difference in the water levels as well as discovering where the water had been and how it had even washed the 'beach' part away, as well as the children's rock bridge, has had everyone intrigued. Finding a dead yabby on the water's edge was a highlight.

Climbing mountains — Bush Preschool

It's been fun having several parents and preschool friends join us for these expeditions and we thank them for taking the time to join us for Bush Preschool.
