General Manager

Mr D Neeves

DA2021/402

PO Box 23

Gilgandra NSW 2827

29/06/2021

Dear Sir,

Re: DA2021/402

Adaptive reuse of an existing building located at 30-32 Miller Street Gilgandra to create a new library and community hub and upgrade of a public plaza at 32-34 Miller Street.

Petition:

- September 2011 Toilet Block opened as Stage One of Miller Street Master Plan
- Toilet Block visible and convenient and accessible to both residents and travelling public
- 2021 Design by city architect recommends demolition of toilets
- 2021 Council approves existing public toilets be demolished and be located in proposed new Library building.

We (the undersigned) are concerned citizens who urge our Council to keep the existing Public Toilet Block in Miller Street for the convenience of our residents and the Travelling Public.

I present the attached 625 petition signatures in relation to DA 2021/402 objecting to the demolition of the existing toilet block at 32-34 Miller Street Gilgandra.

May I please ask for written acknowledgement of this petition from Gilgandra Shire Council.

Thank you

Max Zell
