## **Pricing Policy**

The following details provide a statement of the types of fees proposed to be charged by Council and the amount of such fee. This is in accordance with Section 404(1) of the Local Government Act 1993. Also, included in the list of fees and charges is a fee type. The fee types are described as follows:

### **Fee Type A**

This is a fee charged under relevant legislation. Council is unable to vary the amount of these fees.  
(s610)

### **Fee Type B**

Is a fee generally an indicative fee which is recommended by the Local Government and Shires Association of NSW and Department of Local Government. This is done to maintain as much as possible a comparative fee for all Councils. It relates particularly to the supply of property and zoning certificates.  
(s609)

### **Fee Type C**

These fees are for hire of Council premises and facilities. They have generally been reviewed by Council officers to gain the current market value for lease properties on the commercial market.

### **Fee Type D**

These are fees and charges generally for documents and minor services provided by the Council. In most cases, the amount fixed represents a minimal fee and is designed to basically cover the cost of materials and other fixed costs in providing the information.

### **Fee Type E**

This fee sets out to try and recover full cost of goods and services provided.

**Please Note ; All prices are stated inclusive of GST where applicable**
